

# BONTERRA

It is with great pleasure that we will be meeting with you in the next few days at the Precious Metal Summit, Beaver Creek, Co 2019.

We wish to take a few moments to introduce you to our company, before our meeting.

Bonterra is a Canadian gold exploration company with a portfolio of exploration and mining assets including three high-grade gold deposits: Gladiator, Barry and Moroy; the Urban-Barry Mill; and a large land position hosting multiple highly prospective exploration prospects. The properties are located in the Province of Quebec, a jurisdiction highly ranked for mining and mineral exploration and within the Abitibi greenstone belt, which boasts world-class historical gold production and several currently producing gold mines. Bonterra is focused on exploration and resource development. The Company is also currently in the process of permitting for upgrading the Urban-Barry Mill from its current capacity of 800 tons per day to 2400 tons per day.
